

Pre-School Program

Space Is Limited!

Get your Children Ready to start School...

The City of Morgan Hill Recreation Department offers a play-based pre-school. Our intent is to provide a safe and nurturing environment. We will introduce different material and hands-on learning opportunities as possible through art, music, language, reading and math readiness, and motor-skill activities. Oral language will be encouraged through circle time activities and we will work on the social skills of cooperating within a group, listening, and solving problems. This program will help your child to develop social and basic academic skills to get them prepared for school.
